(Q#07)

Literature is like the pulse of any Society which describes the ~~(Conditions of)~~ ^{condition} spirituality and morality of that Society. When the literature of a Society suffers downfall, it becomes clearly understood that this nation is going to have end.

Alas! Today's literature has become a market item and is strongly under the influence of mafia. A writer, who sale his writings for the sake of money, is actually selling his ownness. ^{An} ~~Actualy~~ writer is one who takes stand ~~for right~~ and in the favour of right and against wrong. Even if he has to sacrifice a lot. But in today's era such writers are extincted. Mostly writers Surrender in front of authority. And by their writings, they want to please the authoritative set.
This is, ~~quite~~ dishonoury with literature and

rebellion act with the nation.

Q#03

①

The error that author identifies in the popular understanding of tradition and progress is, two forces traditions of past to stifle innovation and progress representing future free from ^{absolute} constraints. And it has caused intellectual trap.

②

Author has used examples to clarify the importance of past in future progress. Such as Every great renaissance involved past.

③

Tradition as 'a living conversation across generations' means by the author is that each future journey involves experiences and examples from past to be more useful. So it is conversation between generations.

④

This paragraph is about misconception of relationship between tradition and progress that traditional methods hinder progress in some way, but that is actually not a fact but a misconception.

(5)

Yes, this distinction is completely possible by utilizing various methods to identify the ~~best~~ maximum benefit of any transaction to humanity and by checking for its reliability and validity and utility. So by using strong sense of decision making, it is possible.

Q#02

Sum Is Important than Parts
