Question #2

Q<sub>2</sub> Make a Precis of The following Passage and suggest a suitable title. The Limits of Specialization

06/20

Title:- The Broken Mirror of knowledge

The excessive reliance on expertise has created an intellectual contradiction. As knowledge is increasing day by day, the ability to solve complex human problems has diminished. As specialists deal reality according to their own discipline, offering partial truth that are often mistaken for complex explanations.

This fragmentation of knowledge prevents effective response to issues such as climate change, which require proper understanding of scientific, economic, political, moral and cultural <sup>perspective</sup>. Unlike earlier thinkers who possessed a unified worldview, modern knowledge is broken into pieces that fail to form a coherent whole.

Furthermore, excessive trust on expertise has weakened confidence in common sense and ordinary human judgement, turning individuals into recipients of experts opinion. While specialized knowledge is necessary, it must be placed with broader understanding of human values. Education should be in depth & and breadth of thinking.
