⑥

Hence, the next measure that the Muslim ummah must take is to avoid the sectarian conflict that creates a lot of violence in the society.

• "All the Muslim are equal and same"

• "No Arab is superior to Non-Arab, All are same"

(The Last Sermon of the Last Prophet (PBUH))

→ ③ Need of modern Science and Technology

This is a harsh reality as Muslim Ummah needs the modern education, science and the light of modern technology as well. As Muslim scientists are always nominated and their names are still written in golden script. Jabir bin Hayan, Al-Razi, Al-Hathiam and now Dr. Abdul Q. Khan and Dr. Abdus-Salam (The Noble prize winner). So, in order to meet the criteria of modern time, Muslim need modern education Science and technology.

⑥. Justice and peace in the light of Islam :- Yes the Muslim Ummah needs the peaceful way of justice and peace itself in the light of Islam religion. The way that Islam suggests is the best all.

In short, there are the measures, that the Muslim Ummah must follow in order to avoid the disunification factor in contemporary time. Muslim Ummah is a unique ummah with land, Nuclear states, natural resources and the other factors that are different from the rest of the world. These are the notable measures that are the need of this modern period, that are only possible through Qurash and the teachings of the Last Prophet (Peace Be. Upon Him).
