The nature of these jobs

Precis should be one 3rd of original passage

Your passage reflect the original idea

Don't take direct sentences from the passage

It is not the narration do precis

Title should be self-defining and self-explanatory to the passage

Always write in third person

cannot reflect the whole truth-
The another example is climate change, although it is a global problem but different experts

explains this issue in their own way. Moreover, today's world cannot fully capture the perception of truth. The blindness of humans pushes them to carry out the weightage of different opinions and excludes whole truth in this case. This dependency moves a person from the status of citizen - To reject expert's opinion is not an authentic step but the only way to understand the meaning of life is to embrace the truth regarding specific issue.

Schools and universities provides a clear path to students and they can achieve broader views as well - Similarly, one's can make decisions by information

and views shaped by culture.

The minister addressing the gathering: Said, my fellow citizens we stand today at a critical juncture in our nations history. We must ask ourselves "are we prepared to face the challenges ahead?" or "shall we succumb to despondency and inaction?" - DR. Ahmed the renowned economist, had warned us last year that unless immediate reforms are undertaken, the economy will collapse. However, his advice was not heeded now, we find ourselves in precisely the predicament

he had predicted. Therefore, I urge you all to support the government's new economic policy, which though painful in the short term, will yield beneficial results in the long run. Let's not let us continue to repeat the mistakes of the past. Let's move forward with determination and Courage.

 unfortunately, the literature of
 today becomes marketable and
 under mafia - The writer who
 sells his pen for money actually
 he sells his inner thought. The
 real literary author is those who
 raise the voice of right and
 raise the pen for evil, even
 though he has to give a lot of sacrifices
 for this. But, in today's era
 that type of courageous author
 is not meet. Often author's bows
 down on the door of authority
 and busy in making happy
 of powerful authorities. This is
 an unpromising situation for
 literature and for nation.
