## Question 2 PRECIS

05/20

The modern expertise has brought complications in human life because specialized understanding makes human less able to manage humanity concerns. For this, specialization in one one field does not create a prudent human as it gives a narrow understanding of reality. Just like, economist sees human as obtaining maximum benefit at minimum price, biologist sees as a source of reproduction and psychologist looks human as a individual with learned behavior. Each one perspective of the reality ~~perspective~~ ~~unearth~~ reality

but humans have bad tendency to neglect the truths. Moreover, specialized understanding left humans to look at the problems that belong to multiple categories just like climate change. It is a conundrum of every human but organization has pressurised individuals to handle as per their expertise.

The medieval thinkers give a fortified perspective - the universe that world is a broken mirror that does not provide clear knowledge.

Furthermore, expert opinion has reduced individuals' common sense and judgement.

Sentence Structure

They rely on experts' opinion about nurturing of children and managing relations. This over-reliance make agile citizen to accept experts' opinion. Henceforth, society need

individuals with diverse knowledge and educational institutions should encourage broad learning rather than specialization.

Write readable words

Besides this, individuals need to revive their intelligence power for better decision making. Until it is done, individuals would be blind at solving problems in the large scale.

The minister addressing the gathering said, "My fellow citizens, we stand at a critical juncture in our nation's history. We must ask ourselves, are we prepared to face the challenges ahead or shall we succumb to despondency and inaction?" Dr Ahmed, the renowned economist, had warned us last year that unless immediate reforms are undertaken, the economy will collapse. However, his advice was not heeded.

Now, we find ourselves in precisely the predicament he had predicted.

Therefore, I urge you all to support the government's new economic policy which though painful in the short term will yield beneficial results in the long run. Let's not be contented to repeat the mistakes of the past. Let's move forward with determination and
