418-B

Passage

Question: 01

Majority of the people fail in the effort for self-improvement because their schemes are too ambitious and they do not have enough time to carry them out. Moreover, they also make the basic error of announcing their resolution to everybody so that they look even more foolish when they again adopt their old habits.

Question: 02

By announcing New Year's resolution to everybody is a basic mistake because they keep an eye on you everytime. So, if someone do not achieve his resolution goals. Everyone criticize him and now he looks like a failed person and loss his respect by not attaining his objectives.

Question: 03

Due to overnight party, he felt tired and woke up late in the first night of New Year. Therefore, this party provided him a good excuse for not carrying out either of his New Year resolution on the first day of year.
