A Quiz: Translation. (c9dcd5-code)

Ans: Translation:

History only remembers those successful people who have endured many hardships at the starting of their lives and later on they were ~~remb~~ remembered as most famous and reputed peoples of the world. Success, respect, and fame cannot be given as granted. The only thing that can be given to you as granted is  $\dagger$  the ancestral wealth.

With wealth you can only buy luxuries not happiness. Sometime it takes decades for a person to earn respect, but can be lost in an instant.
