History is full of such people, who started their life/career from the very beginning, but now they are among the successful and famous people of the world. Success, honor and ^{being} ~~honors~~ are not very easy to achieved it, but wealth is very easily achievable; there is one condition for it that your forefathers must be wealthy. ~~In this way you get the wealth.~~ You can buy whatever you want from wealth but ~~unable to buy happiness.~~ It takes a decades to build a reputation, but only a moment to destroy it.
